About

[LinkedIn](#)

For my personal life...

Outside of work (basically **nearly all** my free time), I am a **science nerd**, a **sport fan** and a **video games player**.

Watching hours of science videos ([3Blue1Brown](#) in my heart, [Vsauce](#) is still super good, [Kurzgesagt](#) superfan,

[Computerphile](#) addict (+ Numberphile)), hours of politics/society questions debated online...).

I **crave** knowledge. Come and teach me : I want interactions.
I want passion : this is the only way you could ever get something to work-out. I also am a competitive player at table
