About

Part programmer, part theologian, part actor, all geek :)

CIO at [TAG Resources LLC](#)

Follow me on Twitter: [@jwcarroll](#)

I love to program, and I love technology. Most recently I have become a *self proclaimed* TDD evangelist hoping to proselytize the programming community around me.

In the "real world" I am the proud father of five beautiful children, and a proud husband of a beautiful wife who light up my world.
