About

Email address: ***markrobertamery@gmail.com***. No spam, please.

I license you to use any of my Stack Overflow contributions in any way you like.

If you find something wrong in one of my posts, feel free to edit it. I'm a frequent visitor and can always roll back if I think a change you've made is wrong or stupid, so you may as well

be bold - it's better, here, to ask for forgiveness than permission.
