About

Steven was the founder and CEO of Innovator LLC (nov8r.com) for almost a decade, providing innovative solutions for complex problems, until accepting a Principal Consultant position with ThoughtWorks in 2014, then migrating to Product Technology Manager at Google in 2018. Currently TBD at TravelJoy.com

Steven is a software architect, developer, innovator, entrepreneur, author, and inventor with several decades of

experience in many different languages and platforms across dozens of industries. He also writes technical, marketing, science fiction, and IT-career articles, and writes and plays music.
