About

###About Me:

Professional software developer.

Stuff I like to listen to at last.fm

You can get in touch here: kevin.e.kenny # @ # gmail.com
(you know what to do with the # and spaces).

No Survey Emails Please.

Also not ashamed to admit I like trains, mostly diesels, late Era 8 (BR Sectorisation) and Era 9 onwards :) I'm also interested in signalling if anyone from Network Rail is looking
