About

Mark Murphy, founder of CommonsWare, writes a lot.

Books

From 2008 through 2021, Mark wrote a series of books on Android app development. These books are now available for free download from [the CommonsWare site](#).

His most recent books have been focused on second-generation Android app development (Kotlin and the Android

Jetpack):

- [Elements of Android Jetpack](#), a new introductory book on Android app development, focused on second-generation
