About

If you have any questions about the moderation on Stack Overflow, please post a question on [meta](#) or [chat](#). **Any off site attempts at communication about site matters will be ignored.**

I've been a developer for over 30 years at all levels from junior developer to team lead and project manager. I learnt Pascal at University and my first job was programming in FORTRAN 66. I've since moved to Silverlight with C# & .NET via Ada, C and C++ and a bit of ASP.NET. I've worked at

companies varying in size from a five person startup to a multinational games company.

Over the years I've used most operating systems (apart from
