About

I'm an mobile engineering leader at Warner Bros Discovery.

My love for iOS started during the iPhone SDK 3.0. This is when my journey has included professional experience as an independent as well as in large enterprises and smaller businesses.
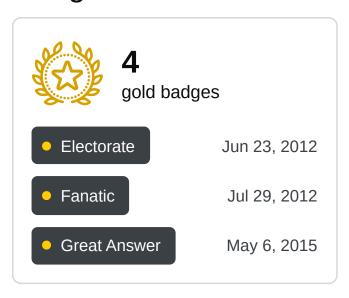

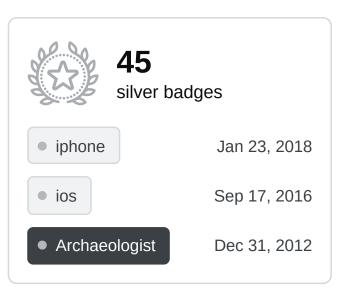

I've also been the iOS Team Lead at raywenderlich.com.

I have furiously written about engineering clean Swift code at cleanswifter.com.
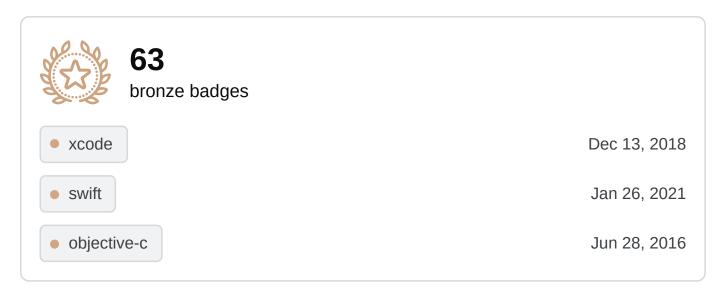

I occasionally blog about educational children's video games, working with my hands, photography, and fatherhood at
