About

My pronouns are they/them. [Learn more.](#)

Curious about my profile picture? Check out my [Flash game](#) on Newgrounds!

I'm a software developer who relishes authoring HTML and CSS on the web and hacking C# on their self-built Windows PC. I adore Jesus and the colors green, purple and teal, and I often catch myself thinking in numbers and code on a whim. I was also a [Microsoft MVP](#) from 2017 through 2020.

My areas of specialty are in web design — I've known HTML and CSS for more than a decade now! — and Windows app development with C# and XAML. Other languages I've worked with include (from most to least experience) PHP,
