About

bobince (at) gmail [dot] com

Hello! I'm a Brit ex-ex-pat. I make programs. Sometimes I make graphics. Sometimes I make security. All too often I have to do all of those together because of all these webs that people seem to like having. That pesky internet!

Favourite language (high level): Python

Favourite language (low level): ARM assembler
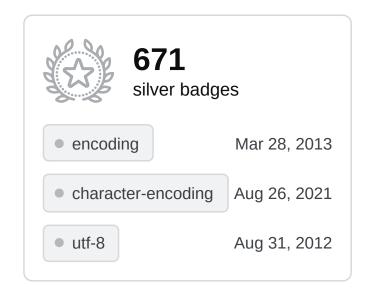

Favourite programming paradigm: functional

Favourite desktop OS: they're all equally annoying, so might as well go for the free one
