# About

```
I'm Malkocoglu, and you're not !

C/C++  :: rocks, (void *) makes it the king.
Python :: good for hi-level, the GIL sucks.
Java   :: mediocre stuff, not very cool.
C#     :: mediocre stuff, same as java.
ASM    :: X86 is my ex, ARM is cool.

If you debug, you'll see !
```
