About

Contract iOS and macOS developer in London.

I organise my local NSCoder Night, and blog intermittently about my DVCS of choice at 365Git

You can catch me on Twitter @abizern.

You could even look at my profile at abizern.org which has more about me as well as my contact details.

Sometimes I get snarky in my answers and comments. I'm not insulting you or laughing at you, I'm just trying to get you to think about your question or answer..
